HOMEMAKING

PURPOSE
To have a clean, organized and relaxing home for my family and visitors.

WILD SUCCESS
My home is always neat and tidy. There is healthy homemade food on the table at meal-times. We always have clothing to wear in our cupboards. All household bills are paid on time. The garden is pretty and well maintained. Nothing is broken.

OUTLINE
- Follow the FlyLady routine system, add and remove items as necessary.
- Start a Bookkeeping project
- Start a Recipe file
- Plan meals
- Start a Garden project
- Start a sewing project
- Star a Home Maintenance project

NEXT ACTIONS
- @Notebook – Create sub-project "FlyLady"
